

Global Responsibility:
Finding German-American Solutions to International Problems

Geoeconomics Panel

Presenters: Angela Stanzel, David Livingston, Megan Leary, Manuel Kilian, Sven Hilgers

Group members: Lisa Kastner, Monika Kerekes, Sidney Rothstein

Overview - Transatlantic partnership

- Something old
- Something new
- Something blue

Geoeconomics Panel

Something old

Something old

- Focus on common interests instead of emphasizing differences, i.e. vis-à-vis China
- Enhance coordination on the question how to tackle increasing Chinese investment
- Work together on strategies to secure better trade and investment deals with China

Geoeconomics Panel

Something new

Something new

- Harmonize regulatory approaches to new tech (AI, advanced energy, blockchain)
- New models to share the burden and benefit of re-skilling between private & public sectors
- Leverage innovation ecosystems in EU & US

Geoeconomics Panel

Something blue

Something blue

- Create an European Monetary Fund (EMF)
- Complete Banking Union
- Reform the Stability and Growth Pact (SGP) and facilitate investment
